THE AIM

The aim of our Escape Room event is simple:

Solve the puzzles and clues within 60 minutes and escape the room!

Only by working as a team will you survive Airsoft

Communication and listening to other people is the key!

ON THE DAY

At the start of the event you will be split up into teams and will receive a briefing from our Games Master, who will take you through all the safety procedures.

Once the boring bit is out of the way our Games Master will set the scene and give a brief overview of the storyline surrounding your Escape Room.

The Games Master will then direct each team to their Escape Room.

Once you are inside the Escape room you will have 60 minutes to solve all the puzzles and clues to unlock the door and escape from the room.

During those 60 minutes you must work together as a team by communicating and listening to each other.

When the 60 minutes are up teams will be awarded with certificates. The team who escapes first will be declared the winner.

For this event we recommend up to 90 minutes.
