ABOUT THE APPRENTICE

Based on the hit TV Show, The Apprentice, teams must work together as they race against the clock to present a brand-new product to Lord Sweet!

Lord Sweet is a formidable business mogul, who has ruled over the corporate world for the past 30 years. He is looking for a team who can work together as one and deliver the best product.

Today he has tasked your team with creating a brand-new product. The team with the best product will be 'hired'.

You'll be met at the venue of your choice by our Lord Sweet and his aides who will brief you on the task ahead. Your group will be split into teams and will need to work together to produce a product.

Once you're the time is up, you will have to pitch your product to Lord Sweet, who will access each product and choose which team to 'hire' and which to team to 'fire'.

This corporate event is perfect for team building as will get everyone to demonstrate their creative side and become part of a team!
