RAFT BUILDING

We have a brilliant day planned out for you. Whether you are looking to book a birthday party for yourself or children, a family day out, a stag or hen do or a corporate event you are guaranteed to have an amazing day on the water.

We also offer the use of kayaks and canoes following the raft building event.

The day will consist of races and games, if you would prefer to stay dry feel free to watch from the waters edge (although, its much more fun to get involved and on the water!)

We can also provide a member of staff to run or manage the event for you.

So, why not make an enquiry today and make your event happen with DreamTeamBuilding!

CANOEES AND KAYAKS

Don't just stop at raft building, why not give it a go at kayaking or raft building?

Our experienced team will teach you the basics (off the water at first) then once you're ready and confident on the water, get ready for games and races. You will definitely need a change of clothes (don't forget your socks and pants too!)

If you would like further information on this, give us a call on 020 3589 6019. We're happy to help!

THE DAY

- Your day will start by everyone getting kitted out for the day with safety gear and wetsuits.
- Following that, our well trained and experienced members of staff will run you through the safety aspects of the day (not the most exciting part of the day, it is very important though!)
- The staff will have all the equipment ready for you to get started building your rafts. Once a quick demonstration is given on the knots to tie and the best way to build your raft, you're on your own! (Not literally, we can lend a hand if you need it).
- Once your rafts have been built we will take to the water, once everyone is happy using the rafts we will play a few games. Not everyone is guaranteed to stay dry at this part...
- There is also an optional extra to use the kayaks and canoes after the raft building event.

If you would like lunch provided for your day, please let us know!
